Fishers-HOA Alliance

The Fishers HOA Alliance is a group of over 50 Fishers-area HOAs that was initially organized in 2021 in response to the 5G tower permitting and installations happening in our neighborhoods. Alliance leadership worked with the City of Fishers to address the quality of communications sent to the Associations and their residents and to find ways to ensure that the best interests of our neighborhoods were being represented in the process. Since then, we have expanded our efforts to include identifying other issues and challenges facing our neighborhoods and work to either provide our own solutions or raise those concerns to both City and State representatives. With over 250 HOAs in the Fishers area, we are looking to expand our membership to better understand and address the issues facing our neighborhoods and to provide a greater voice for the community.

You may contact the Alliance by emailing fishershoacoalition@gmail.com. You can also learn more about our scheduled events and efforts by following us on Facebook at [HOA Alliance-IN](#). There is no cost to join, and we meet bi-monthly at the Delaware Township Offices (9090 E 131st St.). **Our next meeting is scheduled for Wednesday, March 13, 2024 at 7 p.m.**
