- Friday

## City of Fishers Citywide Recycling & Solid Waste Collection Procedures

# Welcome to Republic Services

The City of Fishers has named Republic Services as the recycling and solid waste service provider beginning January 13, 2025. We appreciate this partnership and strive each day to ensure Fishers remains a clean and vibrant community.

As a leader in the environmental services industry, Republic Services is committed to bringing simple solutions to customers. Republic Services has developed improved education programs that help to change recycling behaviors at homes and at businesses. Visit [RecyclingSimplified.com](https://www.RecyclingSimplified.com) to learn more about how to be a better recycler.

## Flattened Carboard

## Paper

## Glass

## Metal Cans

## Plastic Bottles & Jugs

### NEVER Place These Items in the Recycling Cart

ALL recyclables and solid waste must be placed in the carts provided by Republic Services effective January 13.

All recycling and solid waste carts must be placed at the curb by 6 a.m. on your collection day.

**CART DELIVERY:** Residents do NOT need to call to set up an account. We will provide 1 95-gallon recycling cart and 1 95-gallon trash cart to residents who currently are not serviced by Republic Services. If you have recycling and solid waste carts through Republic Services now, that will continue. If you require an additional 95-gallon cart, a second trash cart can be provided at no additional charge. To request a second cart, contact us at [RepublicServices.com](https://www.RepublicServices.com). Please note a second cart will not be delivered until after service begins on January 13.

- If you require more than the allotted 3 carts provided, additional carts for recycling and trash are available for rent by Republic Services: \$7/month
- Overage trash bag stickers are available to purchase for \$2.50 per trash bag

**DAY OF COLLECTION:** Weekly solid waste and biweekly recycling will be picked up on the same day each week, except when a holiday falls on or before your regular pickup day. Then, your pickup schedule will be delayed one day.

To guarantee that your solid waste is removed on your scheduled day, please have your recycling and trash carts available at the curb no later than 6 a.m., and ensure your cart is placed at least 3 – 5 feet from stationary objects. See the city collection route map for details.

### Proper Cart Placement

### SPRING AND FALL YARD AND LEAF DEBRIS

**COLLECTION:** During the months of April and November, residents will be allowed to set out an additional twenty (20) bags per week that contain leaves, yard debris or tied bundles.

**BULK ITEMS:** If you have a large item that will not fit inside the cart, the Republic Services team is available to assist. Bulk/heavy item collection services are on a by-appointment/on-call service. Contact Republic Services at [317.917.7300](tel:317.917.7300) to schedule these items for pickup and disposal. Residents must give forty-eight (48) hours advance notice for these items to be collected. Bulk items are defined as larger pieces of furniture, mattresses (fully wrapped), box springs (fully wrapped), chairs, sofas, rolls of carpet and padding (not to exceed 4 ft. sections and bound), and non-Freon® household appliances. Bulk/heavy items must be able to be safely lifted into the collection trucks. Items that are too heavy will not be taken.

- There will be a pre-payment charge of \$25 per item collected by Republic Services

### UNACCEPTABLE ITEMS:

- Lumber, building and remodeling materials, construction materials
- Tires and automobile parts (including batteries)
- Stones, rocks, or dirt
- Steel, aluminum, vinyl, or iron fencing, auto or construction materials
- Explosives, pathological and biological waste, radioactive material, ashes, and sand
- Motor oil, pesticide containers, paint thinner, and sealant containers
- Other items that may be banned from landfills

*You can contact us to order temporary dumpsters to help you get the job done, no matter the size of your operation or industry.*

Our goal is to work together to create efficient, environmentally sound recycling and trash solutions and to keep public spaces clean and safe.

Sincerely,  
Republic Services
