Neighborhood Parking

Common Violations

We are committed to providing accessible and adequate parking options for all residents and visitors. Our goal is to educate the community about parking regulations to reduce the chances of violations.

Common Parking Violations

- Parking opposite another parked car, leaving less than 18' of travel lanes
- Parking in front of a driveway or directly across from one on the opposite side of the street
- Parking within 20' of an intersection or crosswalk
- Parking within 30' of a stop sign
- Parking within 15' of a fire hydrant

Report Parking Violations

- To report parking violations in your neighborhood, please call the Fishers Police Department non-emergency dispatch at 317-773-1282
